

FEEDBACK FORM

317 responses

1. Syllabus Coverage

316 responses

66.5 % are happy, 28.5 % are satisfied with syllabus coverage. Next time we will try to improve it. Lack of teachers and COVID period are reasons behind this.

2. Explanation of concepts

64% students are happy with explanation of concepts. 30.5% satisfied with it. Online classes may be the reason behind it.

3. Clearing doubts inside/ outside the class

314 responses

Maximum students are satisfied with our teachers. Still trying to improve it.

4. Regularity in Counseling

312 responses

More than half of students are satisfied with our teachers counseling but we are doing our best to improve counseling sessions. More student teacher ratio is one problem.

5. Encouraging Students interaction/ participation

312 responses

Our teacher takes utmost interest in encouraging their students in academic, curricular and co-curricular events.

6. Infrastructure Facilities

313 responses

A new science block is in use having BCA lab, new well furnished science labs, and 14 lecture rooms. Infrastructure facilities are improved as and when funds are available as per need.

7. Wi-Fi and Internet facility

313 responses

Wi-fi facility has been improved from earlier. In coming time try to improve its strength too.

8. Library Facility

314 responses

We are adding quality books in library as and when fund is available.

9. Canteen Facility

315 responses

Canteen facility is good as per majority of students. But we are improving it as per students need.

10. Girls Common Room

313 responses

A new girl's common room is under construction under RUSA
